

VBS 2020 Science Experiments

Items Needed

(I found everything at Martins, except for the Alka Seltzer [Walmart])

½ cup milk, cream or half-n-half

1 gallon sized Ziploc bag

1 pint sized Ziplock bag (sandwich bag)

6x9 pan (or equivalent)

Alka-Seltzer tablet (original, not coated)

Corn starch

Dish soap

Dry yeast (one packet)

Food coloring (red, yellow, blue, green)

Hydrogen peroxide

Ice

Paper towels

Salt (rock or Kosher works best, but table salt will work)

Sugar

Vanilla extract (or other flavoring, like chocolate syrup)

Vegetable oil (or Olive oil)
